Ballet 2: Basic dance positions (correct ballet terms) should be mastered. Grande jete', pierhouette, changement, echappe', jete, chenne' turns should be mastered. Correct body placement and beginning technique should be mastered.

HIGH SCHOOL ONLY:

Hip Hop 2: Learning/teaching will be at a quicker pace - you will need to have had at least 3 years of Hip Hop to be in this class

Hip Hop 3: Quick pace - basic/intermediate HH/Jazz steps will be required.

**PRODUCTION I CLASS - Grades 3rd - 6th**

**PRODUCTION II CLASS - 7th Grade and Up**

**Open to all students in specified grades. We will be learning a large group production number for the NOW Opening or Closing.**

Please note that every class at every level will have excellent teaching and choreography, while maintaining our ultimate goal: worship. The goal of splitting classes like this is to have smaller classes that will help push each dancer to become the best they can be - whatever level they are on whatever pace they may need. After looking at your choice of classes, I will prayerfully consider where I feel you will best thrive and let you know the final decision.
